DETAILED ACTION

1. The following is a statement of reasons for the indication of allowance.

Claims 1 and 14 are allowable over the prior art of record, because the prior art of record does not disclose "a diagnostic apparatus comprising an operational control portion that is connectable to the moving object control system and that performs operation control of the fuel cell by issuing an operational instruction to the moving object control system; a diagnostic portion that diagnoses a state of the fuel cell on the basis of operation of the fuel cell controlled by the operation control portion; and a power adjustment portion that adjusts power obtained from the fuel cell operated by the operation control portion during a diagnosis made by the diagnostic portion".
